Dear Carol Richardson,

This is to acknowledge receipt of your recent letter addressed to His Holiness the Dalai Lama.

The very warm sentiments that you expressed for His Holiness the Dalai Lama is much appreciated and it is particularly very happy to learn about your society's engagement in the promotion of compassion and also to help improve the knowledge and understanding of the issues, to assuage the fear that separate people and so forth.

As you probably aware that, His Holiness' message of non-violence, compassion and religious tolerance has impacted many people in the world and His Holiness considers the promotion of compassion, human values and the promotion of inter-religious understanding as the commitments that His Holiness will always stand by.

Your thoughtful gesture is much appreciated.

With best wishes,  
Yours sincerely,

Tsultrim Dorjee  
Assistant
